### Incontestability

---

This *plan* is incontestable after two years from its date of issue, except for non-payment of premiums.

No statement in any application, except a fraudulent statement, made by a person insured under this *plan* shall be used in contesting the validity of his insurance or in denying a claim for a loss incurred, or for a disability which starts, after such insurance has been in force for two years during his lifetime.

## Examination and Autopsy

We have the right to have a *doctor* of our choice examine the person for whom a claim is being made under this *plan* as often as we feel necessary. And we have the right to have an autopsy performed in the case of death, where allowed by law. We'll pay for all such examinations and autopsies.

## Accident and Health Claims Provisions

Your right to make a claim for any *accident and health* benefits provided by this *plan*, is governed as follows:

**Notice** You must send us written notice of an *injury* or *sickness* for which a claim is being made within 20 days of the date the *injury* occurs or the *sickness* starts. This notice should include your name and *plan* number.

**Proof of Loss** We'll furnish you with forms for filing proof of loss within 15 days of receipt of notice. But if we don't furnish the forms on time, we'll accept a written description and adequate documentation of the *injury* or *sickness* that is the basis of the claim as proof of loss. You must detail the nature and extent of the loss for which the claim is being made. You must send us written proof within 90 days of the loss.

If this plan provides weekly loss-of-time insurance, you must send us written proof of loss within 90 days of the end of each period for which we're liable. If this plan provides long term disability income insurance, you must send us written proof of loss within 90 days of the date we request it. For any other loss, you must send us written proof within 90 days of the loss.

**Late Notice of Proof** We won't void or reduce your claim if you can't send us notice and proof of loss within the required time. But you must send us notice and proof as soon as reasonably possible.

**Payment of Benefits** We'll pay benefits for loss of income once every 30 days for as long as we're liable, provided you submit periodic written proof of loss as stated above. We'll pay all other *accident and health* benefits to which you're entitled as soon as we receive written proof of loss.

We pay all *accident and health* benefits to you, if you're living. If you're not living, we have the right to pay all *accident and health* benefits, except dismemberment benefits, to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; (e) your brothers and sisters; and (f) any unpaid provider of health care services. See "Your Accidental Death and Dismemberment Benefits" for how dismemberment benefits are paid.

When you file proof of loss, you may direct us, in writing, to pay health care benefits to the recognized provider of health care who provided the covered service for which benefits became payable. We may honor such direction at our option. But we can't tell you that a particular provider must provide such care. And you may not assign your right to take legal action under this *plan* to such provider.

## **Accident and Health Claims Provisions (Cont.)**

---

**Limitations of Actions** You can't bring a legal action against this *plan* until 60 days from the date you file proof of loss. And you can't bring legal action against this *plan* after three years from the date you file proof of loss.

**Workers' Compensation** The *accident and health* benefits provided by this *plan* are not in place of, and do not affect requirements for coverage by Workers' Compensation.

### Employee Coverage

---

**Eligible Employees** To be eligible for employee coverage, you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

#### Other Conditions

You must:

- (a) be legally working in the United States.
- (b) be regularly working at least the number of hours in the normal work week set by your *employer* (but not less than 30 hours per week), at:
  - (i) your *employer's* place of business;
  - (ii) some place where your *employer's* business requires you to travel; or
  - (iii) any other place you and your *employer* have agreed upon for performance of occupational duties.

Note: If you are working outside the United States on a temporary assignment and you meet all other conditions of eligibility, you will be covered by this *plan*, provided that: you are on an assignment, not exceeding one year, in a country or region that is not under a travel warning issued by the US Department of State. Coverage may be available when you are: (1) on a longer temporary assignment; or (2) assigned in a region that is under a travel warning; however, coverage must be approved in writing.

Part or all of your insurance amounts may be subject to *proof* that you're insurable. The Life Schedule explains if and when we require *proof*. You won't be covered for any amount that requires such *proof* until you give the *proof* to us and we approve it in writing.

CGP-3-EC-90-1.0

B264.0900

**When Your Coverage Starts** Employee benefits that don't require *proof* that you are insurable are scheduled to start on the effective date shown on the sticker attached to the inside front cover of this booklet.

Employee benefits that require such *proof* won't start until you send us the *proof* and we approve it in writing. Once we have approved it, the benefits are scheduled to start on the effective date shown in the endorsement section of your application. A copy of the approved application is furnished to you.

But you must be fully capable of performing the major duties of your regular occupation for your *employer* on a full-time basis at 12:01AM Standard Time for your place of residence on the scheduled effective date or dates. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not fully capable of performing the major duties of your occupation on any date part of your insurance is scheduled to start, we will postpone that part of your coverage until the date you are so capable and are working your regular number of hours.

Sometimes, the effective date shown on the sticker or in the endorsement is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if you were performing the major duties of your regular occupation and working your regular number of hours on your last regularly scheduled work day, your coverage will start on the scheduled effective date. However, any coverage or part of coverage for which you must elect and pay all or part of the cost, will not start if you are on an approved leave and such coverage or part of coverage was not previously in force for you under a prior plan which this *plan* replaced.

CGP-3-EC-90-2.0

B264.0690

**When Your Coverage Ends** Your coverage ends on the date your active *full-time* service ends for any reason. Such reasons include disability, death, retirement, layoff, leave of absence and the end of employment.

It also ends on the date you stop being a member of a class of *employees* eligible for insurance under this *plan*, or when this *plan* ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

It ends on the date you are no longer working in the United States, unless you are on a temporary assignment: (1) not exceeding one year in a country or region that is not under a travel warning by the US Department of State; or (2) for which we have agreed, in writing, to provide coverage.

Read this booklet carefully if your coverage ends. You may have the right to continue certain group benefits for a limited time. And you may have the right to replace certain group benefits with converted policies.

### **An Employee's Right To Continue Group Life Insurance During A Family Leave Of Absence**

---

**Important Notice** This section may not apply to an *employer's* plan. You must contact your *employer* to find out if:

- the *employer* must allow for a leave of absence under federal law, in which case;
- the section applies to you.

## An Employee's Right To Continue Group Life Insurance During A Family Leave Of Absence (Cont.)

---

**Continuation Of Life Coverages** Your loss of life and accidental death and dismemberment coverages may be continued at your *employer's* option. You must contact your *employer* to find out if you may continue these coverages.

**If Your Group Insurance Ends** Group insurance may end for you because you cease full-time work due to an approved leave of absence. Such leave of absence must have been granted to allow you to care for a seriously ill spouse, child or parent, or after the birth or adoption of a child, or due to your own serious health condition. If so, your group insurance will be continued at your *employer's option*. You will be required to pay the same share of the premium as before the leave of absence.

**When Continuation Ends** Insurance may continue until the earliest of: (a) the date you return to full-time work; (b) the end of a total leave period of 12 weeks in any 12 month period; (c) the date on which your coverage would have ended had you not been on leave; or (d) the end of the period for which the premium has been paid.

**Your Group Term Life Insurance**

---

- Basic Life Benefit** If you die while insured for this benefit, we'll pay your beneficiary the amount shown in the schedule.
- Proof of Death** We'll pay this insurance as soon as we receive written proof of death. This should be sent to us as soon as possible.
- Your Beneficiary** You decide who gets this insurance if you die. You should have named your beneficiary on your enrollment form. You can change your beneficiary at any time by giving your *employer* written notice, unless you've assigned this insurance. But the change won't take effect until your *employer* gives you written confirmation of the change.
- If you named more than one person, but didn't tell us what their shares should be, they'll share equally. If someone you named dies before you do, his share will be divided equally by the beneficiaries still alive, unless you've told us otherwise.
- If there is no beneficiary when you die, we'll pay the insurance to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; or (e) your brothers and sisters.
- Assigning Your Life Insurance** If you assign this insurance, you permanently transfer all your rights under this insurance to the assignee. Only one of the following can be an assignee: (a) your spouse; (b) one of your parents or grandparents; (c) one of your children or grandchildren; (d) one of your brothers or sisters; or (e) the trustee(s) of a trust set up for the benefit of one or more of these relatives.
- We suggest you speak to your lawyer before you make any assignment. If you decide you want to assign this insurance, ask your *employer* for details or write to us.
- Payment to a Minor or Incompetent** If your beneficiary is a minor or incompetent, we have the option of paying this insurance in monthly installments. We would pay them to the person who cares for and supports your beneficiary.
- Payment of Funeral or Last Illness Expenses** We have the option of paying up to \$1,000.00 of this insurance to any blood relative, or relative, by marriage, who incurs expenses for your funeral or last illness if: (a) the death benefit is payable to your estate; or (b) such benefit is payable to a beneficiary who is a minor.
- Settlement Option** If you or your beneficiary ask us, we'll pay all or part of this insurance in installments. Any request must be made to us in writing. The amounts of the installments and how they would be paid depend on what we offer at the time the request is made.

## Portability Privilege

---

- Applicability** This provision applies only to this plan's employee Basic group term life insurance. It does not apply to supplemental life insurance, if any is included in this plan. And it does not apply to Accidental Death and Dismemberment Insurance.
- Important Restriction** You must provide proof of insurability satisfactory to us.
- Portability Of Basic Group Term Life Insurance** You may elect to continue all or part of your employee Basic group term life insurance, by choosing a portable certificate of coverage, subject to the following terms.
- You may port your coverage if coverage under this plan ends because you: (a) have terminated employment; or (b) stop being a member of an eligible class of employees.
- You may not port your coverage, if you: (a) have reached your 70th birthday on the day coverage under this plan ends; or (b) are eligible for this plan's Basic Group Term Life Insurance Extended Life Benefit.
- You may not port your coverage if coverage under this plan ends due to: (a) failure to pay any required premium; or (b) the end of this group plan.
- You may port: (a) the full amount(s) of your Basic term life insurance as of the day your coverage under this plan ends, or (b) 50% of such amount, if such amount under this plan is at least \$50,000.00.
- The Portable Certificate Of Coverage** You can port to a portable certificate of coverage. The certificate provides group term insurance. It does not provide any: (a) accidental death and dismemberment benefits; (b) income replacement benefits; or (c) extended life benefits or waiver of premium privileges. The benefits provided by the portable certificate of coverage may not be the same as the benefits of this group plan.
- The premium for the portable certificate of coverage will be based on: (a) your rate class under this plan; and (b) your age bracket as shown in the Basic Life Portability Coverage Premium Notice.
- How To Port** To get a portable certificate of coverage, you must: (a) apply to us in writing; and (b) pay the required premium. You have 31 days from the date your coverage under this plan ends to do this. We require proof of insurability satisfactory to us.
- Defined Term** As used in this provision, the term "port" means to choose a portable certificate of coverage which provides group term life insurance.

## **Information About Conversion and Portability**

---

No covered person is allowed to convert his or her coverage, and elect a portable certificate of coverage at the same time. If a situation arises in which a covered person would be eligible to both convert and port, he or she may only exercise one of these privileges. A covered person may never be insured under both a converted policy and a portable certificate of coverage at the same time. The covered person should read his or her plan, as well as any related materials carefully before making an election.

### **THE FOLLOWING PROVISION APPLIES TO YOUR BASIC TERM LIFE INSURANCE:**

## **Converting This Group Term Life Insurance**

---

**If Employment Or Eligibility Ends** Your group life insurance ends if: (a) your employment ends; or (b) you stop being a member of an eligible class of employees. If either happens, you can convert your group life insurance to an individual life insurance policy. Conversion choices are based on your disability status.

If you are not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium", you can convert to a permanent life insurance policy. You can convert the amount for which you were covered under this plan, less any group life benefits you become eligible for in the 31 days after this insurance ends.

If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy, as explained in the section labeled "Interim Term Insurance". You can convert the full amount for which you were covered under this plan.

If you are later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

**If The Group Plan Ends Or Group Life Insurance Is Dropped** Your group life insurance also ends if: (a) this group plan ends; or (b) life insurance is dropped from the group plan for all employees or for your class. If either happens, you may be eligible to convert as explained below. Conversion choices are based on your disability status.

If you: (a) are not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium", when this coverage ends; and (b) you have been insured by a Guardian group life plan for at least five years, you can convert to a permanent life insurance policy. But, the amount you can convert is limited to the lesser of: (a) \$2,000.00; or (b) the amount of your insurance under this plan, less any group life benefits you become eligible for in the 31 days after this insurance ends.

If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy. You can convert the full amount for which you were covered under this plan.

If you are later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

## Converting This Group Term Life Insurance (Cont.)

---

**The Converted Policy** The premium for the converted policy will be based on your age on the converted policy's effective date. The converted policy will start at the end of the period allowed for conversion. The converted policy does not include disability or dismemberment benefits.

**Interim Term Insurance** If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium" and (b) have not yet been approved for the Extended Life Benefit, you have the option to convert your coverage to an individual term life insurance policy. The individual term policy requires lower premiums than an individual permanent insurance policy.

This Interim term policy is available for only one year from the date you become disabled. During this year, if you are approved for the Extended Life Benefit, the interim term insurance is cancelled, as of our approval date. If, after one year, you have not been approved for the Extended Life Benefit, you must convert to an individual permanent life insurance policy, or coverage will end. Premiums for the individual permanent life insurance policy will be based on your age as of the date you convert from the interim term insurance policy.

**How And When To Convert** To get a converted policy, you must apply to us in writing and pay the required premium. You have 31 days after your group life insurance ends to do this. We won't ask for proof that you are insurable.

**Death During The Conversion Period** If you die in the 31 days allowed for conversion, we'll pay your beneficiary the amount you could have converted. We'll pay whether or not you applied for conversion.

## Your Extended Life Benefit With Waiver Of Premium

---

**Important Notice** This section applies to your basic life benefit. But, it does not apply to your accidental death and dismemberment benefits; nor to any of your dependent's insurance under this group plan. In order to continue dependent basic life insurance, you must convert your dependent coverage to an individual permanent policy.

**If You Are Disabled** You are disabled if you meet the definition of total disability, as stated below. If you meet the requirements in the "How and When to Apply" provision, we'll extend your basic life insurance under this section without payment of premiums from you or the employer.

Total Disability or Totally Disabled means, due to sickness or injury, you are:

- (a) not able to perform any work for wages or profit; and
- (b) you are receiving regular doctor's care appropriate to the cause of disability.

**How And When To Apply** To apply for this extension, you must submit satisfactory written medical proof of your total disability within one year of the onset of that disability. Any claim filed after one year from the onset of total disability will be denied, unless we receive written proof that: (a) you lacked the legal capacity to file the claim; or (b) it was not reasonably possible for you to file the claim.

## Your Extended Life Benefit With Waiver Of Premium (Cont.)

---

Also, in order to be eligible for this extension, you must:

- (a) become totally disabled before you reach age 60 and while insured by the group plan; and
- (b) remain totally disabled for nine continuous months.

You are encouraged to apply for this benefit immediately upon the onset of disability.

### **Continued Eligibility For Extended Life Benefit**

We may require periodic written proof that you remain totally disabled to maintain this extension. This written proof of your continued disability and doctor's care must be provided to us within 30 days of the date we make each such request.

We can require that you take part in a medical assessment, with a medical professional of our choice, as often as we feel is reasonably necessary during the first two years we've extended your life benefits. But after two years, we can't have you examined more than once a year.

### **Until You've Been Approved For This Extended Life Benefit**

Your life insurance under the group plan may end after you've become totally disabled, but before we've approved you for this extension. During this time period, you may either:

- (a) continue group premium payments, including any portion which would have been paid by the employer until you are approved or declined for this extended life benefit; or
- (b) convert to an individual permanent or term policy. Please read the section labeled "Converting This Group Term Life Insurance" for details on how to convert.

However, if this group plan terminates, and you are totally disabled and eligible, but not yet approved, for this extended benefit, you must convert to an individual permanent or term policy, and remain insured under such policy until you are approved by us for the extended benefit.

Converting does not stop you from claiming your rights under this section. But if you convert and we later approve you for this extended benefit, we'll cancel the converted policy as of our approval date. Once you are approved for this extended benefit, your group term life coverage will be reinstated at no further cost to you or the employer.

### **When This Extension Begins**

Once approved by us, your extended benefit will be effective on the later of:

- (a) nine continuous months from the date active full-time service ends due to total disability; or
- (b) the date we approve you for this benefit.

## **Your Extended Life Benefit With Waiver Of Premium (Cont.)**

---

- When This Extension Ends** Your extension will end on the earliest of:
- (a) the date you are no longer disabled;
  - (b) the date we ask you to be examined by our doctor, and you refuse;
  - (c) the date you do not give us the proof of disability we require;
  - (d) the date you are no longer receiving regular doctor's care appropriate to the cause of disability; or
  - (e) the day before the date you reach age 65.

If the extension ends, and you are not insured by the group plan again as an active full-time employee, you can convert as if your employment just ended. Read the section labeled "Converting This Group Term Life Insurance".

- If You Die While Covered By This Extension** If you die while covered by this extension we'll pay your beneficiary the amount for which you were covered as of your last day of active full-time work, subject to all reductions which would have applied had you stayed an active employee.

- Proof Of Death** We'll pay as soon as we receive
- (a) written proof of your death, that is acceptable to us; and
  - (b) medical proof that you were continuously disabled until your death. This must be sent within one year of your death.

## ELIGIBILITY FOR DISABILITY COVERAGE

B329.0002

---

### Employee Coverage

---

**Eligible Employees** To be eligible for employee coverage, you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

**Other Conditions** You must:

- (a) be legally working in the United States.
- (b) be regularly working at least the number of hours in the normal work week set by your *employer* (but not less than 30 hours per week), at:
  - (i) your *employer's* place of business;
  - (ii) some place where your *employer's* business requires you to travel; or
  - (iii) any other place you and your *employer* have agreed upon for performance of occupational duties.

Note: If you are working outside the United States on a temporary assignment and you meet all other conditions of eligibility, you will be covered by this *plan*, provided that: you are on an assignment, not exceeding one year, in a country or region that is not under a travel warning issued by the US Department of State. Coverage may be available when you are: (1) on a longer temporary assignment; or (2) assigned in a region that is under a travel warning; however, coverage must be approved by us in writing.

Part or all of your insurance amounts may be subject to *proof* that you're insurable. Other parts of this coverage explain if and when we require *proof*. You won't be covered for any amount that requires such *proof* until you give the *proof* to us and we approve it in writing.

CGP-3-EC-90-1.0

B329.0164

**When Your Coverage Starts** Employee benefits that don't require *proof* that you are insurable are scheduled to start on the effective date shown on the sticker attached to the inside front cover of this booklet.

Employee benefits that require such *proof* won't start until you send us the *proof* and we approve it in writing. Once we have approved it, the benefits are scheduled to start on the effective date shown in the endorsement section of your application. A copy of the approved application is furnished to you.

But you must be fully capable of performing the major duties of your regular occupation for your *employer* on a full-time basis at 12:01AM Standard Time for your place of residence on the scheduled effective date or dates. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not fully capable of performing the major duties of your occupation on any date part of your insurance is scheduled to start, we will postpone that part of your coverage until the date you are so capable and are working your regular number of hours.

## Employee Coverage (Cont.)

---

Sometimes, the effective date shown on the sticker or in the endorsement is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if you were performing the major duties of your regular occupation and working your regular number of hours on your last regularly scheduled work day, your coverage will start on the scheduled effective date. However, any coverage or part of coverage for which you must elect and pay all or part of the cost, will not start if you are on an approved leave and such coverage or part of coverage was not previously in force for you under a prior plan which this *plan* replaced.

CGP-3-EC-90-2.0

B264.0690

### **When Your Coverage Ends**

Your long term disability coverage ends on the date your active *full-time* service ends for any reason.

It also ends on the date you stop being a member of a class of *employees* eligible for insurance under this *plan*, or when this *plan* ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

It ends on the date you are no longer working in the United States, unless you are on a temporary assignment: (1) not exceeding one year in a country or region that is not under a travel warning issued by the US Department of State; or (2) for which you have agreed, in writing, to provide coverage.

If you are required to pay all or part of the cost of this coverage and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

However, if you are disabled, as defined by this *plan* when your active *full-time* service ends, coverage remains in force during: (a) the elimination period, subject to premium payment, if (i) the disability is not excluded under the *plan*; and (ii) benefits are not excluded due to application of this *plan*'s pre-existing condition provision; and (b) the period for which benefits are payable under this *plan*.

## GRIEVANCE PROCEDURES FOR DISABILITY INCOME INSURANCE

---

### Definitions

---

"Grievance" means a written complaint submitted by a *covered person* or his or her *authorized representative* regarding: (1) the availability, delivery, or quality of health care services, including a complaint regarding an *adverse determination* made pursuant to *utilization review*; (2) benefits or claim payment, handling, or reimbursement for health care services; or (3) matters pertaining to the contractual relationship between a *covered person* and Guardian.

"Adverse determination" means a determination made by Guardian or its designated utilization review organization that an admission, availability of care, continued stay, or other health care service has been reviewed, and, based upon the information provided, does not meet Guardian's requirements for medical necessity, appropriateness, health care setting, level of care, or effectiveness, and the requested service is therefore denied, reduced or terminated. Failure to respond in a timely manner to a request for a determination constitutes an *adverse determination*.

When an *adverse determination* is made, Guardian or its designated utilization review organization will provide the *covered person* with a written statement containing the reasons for the *adverse determination* and a written notice of the grievance procedures. If a *covered person* or his or her *authorized representative* does not agree with a determination, he or she may file a *grievance* under the *plan's* grievance process.

"Authorized representative" means any of the following: (1) a person to whom the *covered person* has given express written consent to represent the *covered person* in the grievance process; (2) a person authorized by law to provide substituted consent for a *covered person*; and (3) if the *covered person* is unable to provide consent, a family member of the *covered person* or the *covered person's* treating health care provider.

"Commissioner" means the *commissioner* of the office of financial and insurance services of the State of Michigan.

*URO* " means a utilization review organization, an entity that conducts *utilization review* (other than Guardian).

"Utilization Review" means a set of formal techniques designed to monitor the use of, evaluate the clinical necessity, appropriateness, efficacy, or efficiency of, health care services, procedures, or settings.

---

## Internal Grievance Procedures

The grievance procedures ensure full investigation of a *covered person's* complaint and provide for timely notification to the *covered person* or his or her *authorized representative* of the progress of the investigation. There are several levels of review available under the internal grievance procedures:

**Formal Review** A *grievance* may be submitted in writing by the *covered person* or his or her *authorized representative*.

Guardian or its designated *URO* will make a final determination in writing within 35 calendar days after a formal *grievance* is submitted in writing.

The timing of the 35 calendar-day period may be tolled for: (i) any period of time the *covered person* is permitted to take under the grievance procedure; and (ii) for a period not to exceed 10 business days if Guardian or its designated *URO* has not received information requested from a health care provider.

A *covered person* has the right to present a *grievance* before a designated committee of Guardian.

**Expedited Review** A *covered person* is entitled to an expedited review when a *grievance* has been submitted in writing; AND a doctor, orally or in writing, certifies that the 35 calendar-day time frame of the formal review process would seriously jeopardize the life or health of the *covered person* or the *covered person's* ability to regain maximum function.

Guardian or its designated *URO* will make a determination within 72 hours after receiving an expedited *grievance*.

If Guardian or its designated *URO* rendered a determination orally, written confirmation of the determination will be provided to the *covered person* within 2 business days after the oral determination.

If the *covered person* is not satisfied with the outcome of the internal grievance process, he or she may submit a written request to the *commissioner* to review the complaint.

## To Determine Your Benefit

---

Your benefit is determined by the plan of benefits and your *insured earnings* in effect on the date your *disability* starts.

Any changes to this *plan* that take place while you are *disabled* will not affect how we determine your benefit. This is also true for any changes that take place during a period of *active work* that occurs between an initial period of *disability* and a *recurring disability*.

**Determining Your Monthly Benefit** Your *monthly benefit* is determined as shown below.

- (a) Multiply your *insured earnings* by 60%. Round this amount to the nearest dollar.
- (b) If the amount determined above is less than this *plan's maximum monthly benefit*, that amount is your *gross monthly benefit*.  
  
If the amount determined above is equal to or more than this *plan's maximum monthly benefit*, your *gross monthly benefit* is equal to the *maximum monthly benefit*.
- (c) From your *gross monthly benefit*, subtract the amount of any income listed in "Income We Integrate With" that you receive or are entitled to receive. The result is your *monthly benefit*.

The amount of your *gross monthly benefit* may be limited if the *plan sponsor* has not updated the amount of your *insured earnings* to reflect your then current *insured earnings* on the most recent reporting date prior to the start of your *disability*.

See the "Redetermination" of this *plan* for details.

## To Determine Your Benefit (Cont.)

---

**Redetermination** This plan redetermines *insured earnings* for each covered person on the date a change in a covered person's *insured earnings* occurs. The *plan sponsor* must report updates to all covered persons' *insured earnings* as they occur. Changes to a covered person's *insured earnings* are subject to any proof of insurability requirements of this *plan*. As of this *plan's* redetermination date, we use a covered person's *insured earnings* on record with us to: (a) set rates; (b) project benefit amounts and limits; and (c) calculate premium payable under this *plan*. However, the covered person must be *actively-at-work* on a full-time basis on that date. If he or she is not, we do not do this until the date he or she returns to *active work* on a full-time basis. But, changes in earnings will not apply to a *recurring disability*.

**Income We Integrate With** You may receive, or be entitled to receive, income shown in the list below. We will integrate your *gross monthly benefit* with such income to determine your *monthly benefit* from this *plan*.

- Commissions received, due to be received, or paid after *disability* benefits start. This includes vested and nonvested renewal commissions.
- Disability benefits from any mandated benefit act or law. This includes all temporary disability or state disability benefits required by law.
- Disability benefits from all group plans of: (1) the *plan sponsor*; or (2) your *employer*. This includes payments made by a group life insurance plan due to your *disability*. This does not include payments made from a group life insurance plan's: (a) accelerated death benefit; or (b) like provision that allows payment of such plan's proceeds due to terminal illness.
- Disability benefits from any other group plan.
- Income from a sick leave or salary continuance plan. This applies whether such plan is sponsored on a formal or informal basis. This includes lump sum or recurrent payments of accrued sick leave benefits.
- Benefits as shown below from: (1) the United States Social Security Act; (2) the Railroad Retirement Act; or (3) any other like U.S. or Canadian plan or act.
  - (a) All disability benefits for which: (i) you are qualified; and (ii) your spouse and children are qualified due to your *disability*;
  - (b) All unreduced retirement benefits for which: (i) you are qualified; and (ii) your spouse and children are qualified due to your qualification; and
  - (c) all reduced retirement benefits paid to: (i) you; and (ii) your spouse and children due to your receipt of such benefits.

## To Determine Your Benefit (Cont.)

---

We will integrate your *gross monthly benefit* with such benefits to which your spouse and children are entitled due to your receipt of, or qualification for, disability benefits. We do this without regard to: (a) your marital status; (b) where you live; (c) where your spouse lives; (d) where your child lives; or (e) any custody arrangements made on behalf of your child.

- *Retirement plan retirement benefits* funded for your benefit by: (1) the *plan sponsor*; or (2) your *employer*.
- *Retirement plan disability benefits*.
- *Retirement benefits* or *retirement plan disability benefits*, due to your *disability*, from any *government plan* other than those shown above.
- Disability benefits from any: (1) *no-fault motor vehicle* coverage; (2) motor vehicle financial responsibility act; or (3) like law.
- Benefits from: (1) a Workers' Compensation law; (2) an occupational disease law; or (3) any other act or law of like intent. This includes: (a) the Jones' Act; (b) the Longshoreman's and Harbor Workers' Compensation Act; or (c) any Maritime doctrine of Maintenance, Wages or Cure.
- Disability benefits from any third party when your *disability* is the result of the negligence or intentional tort liability of that third party.
- Payment from your *employer* as part of a termination agreement.

We integrate your *gross monthly benefit* with income shown above that you are entitled to receive without regard to the reason you are entitled to receive it.

Our right to reduce your benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgement, waiver or otherwise shall not negate our right.

<b>Lump Sum Payments Of Other Income</b>	Income with which we integrate may be paid in a lump sum. In this case, we take the equivalent monthly rate stated in the award into account when we determine your <i>monthly benefit</i> . If no monthly rate is given, we pro-rate the lump sum over the lesser of: (a) 60 months; or (b) the <i>maximum payment period</i> .
<b>Cost Of Living Freeze</b>	You may receive a cost of living increase in other income with which we integrate. In this case, we do not further reduce your <i>monthly benefit</i> by the amount of such increase.
<b>Application For Other Income</b>	You must apply for other income benefits to which you may be entitled. If these benefits are denied, you must appeal until: (a) all possible appeals have been made; or (b) we notify you that no further appeals are required.

## To Determine Your Benefit (Cont.)

---

If we feel you are entitled to receive such income benefits, we will estimate the amount due to you and your spouse and children. We will take this estimated amount into account when we determine your *monthly benefit*. But, we will not take this estimated amount into account if you sign our reimbursement agreement. In this agreement you promise: (a) to apply for any benefits for which you may be eligible; (b) to appeal any denial of such benefits until all possible appeals have been made; and (c) to repay any amount we overpaid due to an award of such benefits.

If we do reduce your *gross monthly benefit* by an estimated amount, we will adjust your *monthly benefit* when we receive written proof: (a) of the amount awarded; or (b) that the other income benefits have been denied; and no further appeals are possible. If we underpaid you, we pay the full amount of the underpayment in a lump sum.

We will assist you in applying for other income benefits.

CGP-3-LTD2K-4.4

B380.0062

**Minimum Payment** The minimum monthly payment for *disability* under this *plan* is \$50.00.

**Partial Month Payment** You may be *disabled* for only part of a month. In this case, we compute your payment as 1/30th of the benefit to which you would be entitled for the full month times the number of days you are *disabled*. Payment will not be made for more than 30 days in any month.

**Overpayment Recovery** If we overpaid you, you must repay us in full. We have the right to reduce your payment or apply any benefits payable, including the minimum payment, toward recovery of the overpayment.

## If You Work While Disabled

---

**Income Earned During Disability** Subject to the other terms of this *plan*, if you are working to your *maximum capacity*, income earned during disability is treated as shown below while this *plan* pays benefits. In all cases, your *insured earnings* are adjusted each year by an indexing factor. See the "Indexing" section of this *plan* for how this is done.

1. For each of the first 12 months after you return to work, add your *gross monthly benefit* and your *income earned during disability*.
  - (a) If the sum is not more than 100% of your *insured earnings*, we do not reduce your *monthly benefit* for that month.
  - (b) If the sum is more than 100% of your *insured earnings*, we reduce your *monthly benefit* for that month by the amount over 100% of your *insured earnings*.

## If You Work While Disabled (Cont.)

2. For each month after 12 months of work while *disabled*:
  - (a) If your *income earned during disability* is less than 20% of your *insured earnings*, we do not reduce your *monthly benefit* for that month.
  - (b) If your *income earned during disability* is 20% or more of your *insured earnings*, we reduce your *monthly benefit* for that month by 50% of your *income earned during disability*.

CGP-3-LTD2K01-5.0

B380.0442

**Part-Time Earnings Capacity** If you are able to work *part-time* while *disabled*, but you are not working to your *maximum capacity*, we adjust the *monthly benefit* as follows.

During the *own occupation* period, we reduce your *monthly benefit* by 50% of the income you would currently be able to earn, if working to your *maximum capacity*, in your *own occupation*. After the *own occupation* period, we reduce your *monthly benefit* by 50% of the income you would currently be able to earn, if working to your *maximum capacity*, in any *gainful occupation*.

**Maximum Income Earned During Disability** This *plan* limits the amount of income you may earn, or may be able to earn, and still be considered *disabled*.

If your *income earned during disability* is more than the limit shown below, payments from this *plan* will end. Payments from this *plan* will also end if you are able to earn more than the limit shown below.

- (a) During the *own occupation* period, the limit is 80% of your *insured earnings*.
- (b) After the *own occupation* period, the limit is 60% of your *insured earnings*.

In all cases, your *insured earnings* are adjusted each year by an indexing factor. See the "Indexing" section of this *plan* for how this is done.

CGP-3-LTD2K01-5.1

B380.0518

**Indexing** If you return to work while *disabled*, we adjust your *insured earnings* each year. We do this by means of an indexing factor. This factor increases the amount of income you may earn and still be considered *disabled*. This adjustment does not increase your *gross monthly benefit*, *monthly benefit*, or any other benefit under this *plan*.

We make the first indexing adjustment after you: (a) have returned to work; and (b) have received 12 monthly payments in a row from this *plan*.

To make the first adjustment, we multiply your *insured earnings* by the indexing factor for that year. To make adjustments in each later year, we multiply the amount of your last indexed *insured earnings* by the indexing factor for the current year.

The indexing factor is the lesser of: (a) 10%; or (b) one-half of the percentage change in the *CPI-W* for the prior calendar year.

## Recurring Disability

Your benefits from this *plan* will end because you cease to be *disabled*. In this case, a later *disability* may be treated as a *recurring disability*. The terms listed below must be met:

- (a) You return to *active work* right after your benefits end;
- (b) Your *disability* recurs less than six months after you were last entitled to benefits;
- (c) Your later *disability* is due to the same cause of, or a cause related to the cause of, your earlier *disability*;
- (d) This *plan* does not end during your return to *active work*;
- (e) You do not become covered under any other similar group income replacement plan during the time you return to *active work*; and
- (f) During the time you return to *active work*, you stay insured by this *plan* and premium payments are made on your behalf.
- (g) Your benefits do not end because you have used up the *maximum payment period*.

Any changes in benefit or the *plan* which take place during your return to *active work*, will not apply to the *recurring disability*.

If the later *disability* is a *recurring disability*, you will not need to complete a new *elimination period* before becoming entitled to benefits. Your claim for *recurring disability* will be subject to the same terms of the *plan* as your earlier *disability*.

## Services Available

**Social Security Assistance** We may feel you are qualified for Social Security disability benefits. If so, we may offer to help you apply for them. If such benefits are under review by Social Security, we may also offer to help you keep them.

We may offer to help:

- (a) Fill out your application for such benefits, and any related forms;
- (b) Find suitable legal counsel; and
- (c) Give medical and vocational data needed to file your claim.

You must apply for all income benefits for which you may be eligible, whether or not you use our help. Using our help does not cancel your duties shown in the "Application for Other Income" section of this *plan*.

**Rehabilitation And Case Management**

Case management starts when we are notified of your *disability*.

We will review your *disability* to see if certain services are likely to help you return to *gainful work*. If needed, we may ask for more medical or vocational information.

When our review is complete, we may offer you a *rehabilitation program*. We have the right to suspend or end your *monthly benefit* if you do not accept it.

---

## Services Available (Cont.)

The *rehabilitation program* will start when a written *rehabilitation agreement* is signed by: (1) you; (2) us; and (3) your *employer*, if needed. The program may include, but is not limited to:

- (a) vocational assessment of your work potential;
- (b) coordination and transition planning with an employer for your return to work;
- (c) consulting with your *doctor* on your return to work and need for accommodations;
- (d) training in job seeking skills and resume preparation;
- (e) retraining;
- (f) child care expense aid; and
- (g) aid in worksite alteration made to comply with the Americans with Disabilities Act. This includes a one-time payment of up to \$2,500.00.

We have the right to determine which services are appropriate.

If you accept the *rehabilitation agreement*, we will pay an enhanced benefit. The enhanced benefit will be 110% of the *monthly benefit* that would otherwise be paid. This enhanced benefit will be payable as of the first *monthly benefit* after the *rehabilitation program* starts.

We stop paying the enhanced benefit on the earliest of:

- (a) The date your benefits from this *plan* end,
- (b) The date you violate the terms of the *rehabilitation agreement*;
- (c) The date you end the *rehabilitation program*; and
- (d) The date the *rehabilitation agreement* ends.

If you end a *rehabilitation program* without our consent, you must repay any enhanced benefits paid.

## Pre-Existing Conditions

**Pre-Existing Conditions** A pre-existing condition is a *sickness* or *injury*, including all related conditions and complications, for which, in the look back period, you:

- (a) receive advice or treatment from a *doctor*;
- (b) take prescribed drugs; or
- (c) receive other medical care or treatment, including consultation with a *doctor*.

You may have been prescribed drugs by a *doctor* for a condition to be taken during the look back period. In that case, such condition or a related condition will be considered pre-existing.

## Pre-Existing Conditions (Cont.)

---

The "look back period" is the six months before the latest of: (a) the effective date of your insurance under this *plan*; (b) the effective date of a change that increases the benefits payable by this *plan*; and (c) the effective date of a change in your benefit election that increases the benefit payable by this *plan*.

A pregnancy that exists on the date your insurance under this *plan* starts is also a pre-existing condition.

No benefits are payable for *disability* due to a pre-existing condition, unless the *disability* starts after you complete at least one full day of *active work* after the date you are insured under this *plan* for 24 months in a row.

You may become *disabled* due to a pre-existing condition after: (a) a change which provides for an increase in the benefits payable by this *plan*; or (b) a change in your benefit election which increases the benefit payable by this *plan*. In this case, your benefit will be limited to the amount that would have been payable had the change not taken place. This limit does not apply if your *disability* starts after you complete at least one full day of *active work* after the change has been in force for 24 months in a row.

We do not cover any *disability* that starts before your insurance under this *plan*.

### Prior Coverage Credit

If this *plan* replaces a similar income replacement plan the *plan sponsor* had with another insurer, the pre-existing condition provision may not apply to you. This *plan* must start right after the old plan ends.

We credit any time used to meet the old plan's pre-existing condition provision toward meeting this *plan's* pre-existing condition provision. If the old plan did not have a pre-existing condition provision, we credit any time you were covered under the old plan toward meeting this *plan's* pre-existing condition provision. We do this if: (a) you were covered under the old plan when it ended; and (b) you are *actively-at-work* and enroll for insurance on the effective date of this *plan*.

But, we limit the *maximum monthly benefit* under this *plan* if: (a) it is more than the old plan's maximum; (b) you become *disabled* due to a pre-existing condition; and (c) this *plan* pays benefits for such *disability* because we credit time as explained above. In this case, we limit the *maximum monthly benefit* to an amount equal to the old plan's maximum.

We deduct all payments made by the old plan under an extension provision.

## Not Covered

**Exclusions** This *plan* does not pay benefits for *disability* caused by, or related to:

- (a) declared or undeclared war, act of war, or armed aggression;
- (b) service in the armed forces, National Guard, or military reserves of any state or country;

- (c) your taking part in a riot or civil disorder;
- (d) your commission of, or attempt to commit a crime; or
- (e) intentional self-inflicted injuries.

We do not pay any benefits for any period of *disability*:

- (1) during which you are confined to a facility as a result of your conviction of a crime;
- (2) during which you are not receiving regular care by a *doctor*;
- (3) during which you are not receiving medical care appropriate to the cause of your *disability* and any other *sickness* or *injury* which exists during your *disability*;
- (4) which starts before you are insured by this *plan*; or
- (5) during which your loss of earnings is not solely due to your *disability*.

**Insured Earnings** Only your earnings from the *employer* will be included as *insured earnings*.

We calculate benefit amounts and limits based on the amount of your *insured earnings* on record with us as of the Redetermination date immediately prior to the start of your *disability*. See the "Redetermination" section of this *plan*.

*Insured earnings* includes your contributions deposited into a cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section 401(k), 403(b) or 457. Earnings based on excluded income and *employer* contributions deposited into such 401(k), 403(b) or 457 plan are excluded.

For all covered persons, *insured earnings* means your rate of monthly earnings, excluding bonuses, commissions, expense accounts, and any other extra compensation, as reported by the *plan sponsor*. ## STATEMENT OF ERISA RIGHTS

---

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

### **Receive Information About Your Plan and Benefits**

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

### **Prudent Actions By Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

## Statement of Erisa Rights (Cont.)

---

**Enforcement Of Your Rights** If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

**Assistance with Questions** If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

## **Disability Benefits Claims Procedure**

---

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Plan Administrator.

Guardian is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the *plan* with respect to claims. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of the Employee Retirement Income Security Act of 1974 ("ERISA")

**Definitions** "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

**Timing For Initial Benefit Determination** The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 45 days after receipt of the claim.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

## Disability Benefits Claims Procedure (Cont.)

---

- Adverse Benefit Determination** If a claim is denied, Guardian will provide a notice that will set forth:
- the specific reason(s) for the adverse determination;
  - references to the specific *plan* provision on which the determination is based;
  - a description of any additional material or information necessary to make the claim valid and an explanation of why such material or information is needed;
  - a description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures, including a statement indicating that the claimant has the right to bring a civil action under ERISA Section 502(a) following an adverse benefit;
  - identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request; and
  - in the case of an adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

- Appeal of Adverse Benefit Determinations** If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal.

Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- the opportunity to submit written comments, documents, records and other information relating to the claim;
- the opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relating to the claim; and
- a review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will

- provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- in deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and

## Disability Benefits Claims Procedure (Cont.)

---

- ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

**Alternative Dispute Options** The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.
