---

April 2015

TO: ALL LOCAL 204 AND LOCAL 223 PARTICIPANTS OF UTILITY WORKERS' UNION OF AMERICA NATIONAL HEALTH & WELFARE FUND

RE: DENTAL BENEFIT MODIFICATIONS

Dear Participants:

As you know, the Trustees continually review the benefits provided by the Fund to assure that you and your dependents have the best most affordable benefits. At the Board of Trustees meeting held on January 20, 2015 the Trustees agreed to modify the dental benefits through Delta Dental effective May 1, 2015 as follows:

**Bitewing X-rays** which were previously approved twice a year will now be limited to once per calendar year.

**Composite resin (white) restorations** which were previously not covered will now be covered on posterior teeth.

Please note these are the only changes to your dental benefits at this time.

Sincerely,

BOARD OF TRUSTEES  
UTILITY WORKERS' UNION OF AMERICA NATIONAL HEALTH & WELFARE FUND
