## **WOMEN'S HEALTH AND CANCER RIGHTS/NEWBORNS' AND MOTHERS' HEALTH PROTECTION NOTICE**

The Trustees of your Health & Welfare Fund are issuing this annual notice in compliance with the **Women's Health and Cancer Rights Act of 1998**. Your Health and Welfare Plan already provides the benefits required by this law. You have a right to this notice, and the Trustees are providing the notice for your information so that you may be assured that you are treated in accordance with Federal law if the need arises.

The Federal law requires that all health care plans that provide medical and surgical benefits for mastectomies provided to Participants and Beneficiaries receiving mastectomy benefits and who elect mastectomy related breast reconstruction with coverage for the following:

- **Reconstruction of the breast on which the mastectomy has been performed;**
- **Surgery and reconstruction of the other breast to produce a symmetrical appearance; and**
- **Prostheses and treatment of physical complications of all stages of mastectomy including lymphedema; in a manner determined in consultation with the attending physician and the patient.**

Such coverage may be subject to annual deductibles and coinsurance provisions as may be deemed appropriate and as are consistent with those established for other benefits under the Plan or coverage.

The Fund has provided coverage for mastectomies for a number of years. As part of this coverage, the Plan also covered the procedures necessary to effect reconstruction of the breast on which the mastectomy was performed, as well as the cost of prostheses and treatment of physical complications of all stages of mastectomy, including lymphedema, as recommended by the attending physician of any patient receiving Plan benefits in connection with the mastectomy and consultation with the patient. The Plan also covers any surgery and reconstruction of the other breast to achieve a symmetrical appearance.

Also, the **Newborns' and Mothers' Health Protection Act of 1996 (NMHPA)** generally prohibits group health plans from limiting hospital stays for childbirth to less than 48 hours for normal deliveries and 96 hours for cesarean section deliveries for a mother and her newborn child, except with consent of the mother and approval of her physician, or from requiring that a provider obtain authorization from the Plan for prescribing a length of stay not in excess of the above.

Please keep this notice with your Summary Plan Description. If you have any questions regarding these federal requirements, please contact the Fund Office.

## **Important Notice About Your Prescription Drug Coverage and Medicare**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug under the Utility Workers Union of America National Health and Welfare Fund and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The Utility Workers Union of America National Health and Welfare Fund does not provide prescription drug coverage to any Participants and their dependents participating in the HRA only Plan. In other words, the Fund provides Non-Creditable Coverage. This is important because it may mean that you may pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible.
3. Because your coverage is non-creditable, you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan. When you make your decision, you should compare your current coverage, which is none and any other coverage you may have outside of this Plan, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. Read this notice carefully - it explains your options.

---

### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

If you are losing creditable prescription drug coverage you may currently have through another plan for reasons not related to Medicare eligibility, you are also eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

The Fund will reimburse you for substantiated eligible prescription drug expenses incurred by you, your spouse and your dependents.

**When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

Depending on how long you go without creditable prescription drug coverage, you may pay a penalty to join a Medicare drug plan. Starting with the end of the last month that you were first eligible to join a Medicare drug plan but didn't join, if you go 63 continuous days or longer without prescription drug coverage that's creditable, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.

**For More Information About This Notice Or Your Current Prescription Drug Coverage...**

Contact the department listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage under the Plan changes. You also may request a copy of this notice at any time.

**For More Information About Your Options Under Medicare Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

## **ANNUAL HEALTH REIMBURSEMENT ARRANGEMENT (HRA) OPT-OUT PROVISIONS**

You can permanently “opt-out” of your Fund HRA. This opt-out opportunity is available only once a year. But, if you opt-out, you’ll permanently forfeit your existing HRA balance.

ACA rules require this opt-out right so that, if you elect to buy insurance on a Marketplace/Exchange, you’ll be eligible for income-based government premium subsidies. But, under these ACA-required rules, the Fund Trustees cannot restore your forfeited HRA balance if you change your mind after you opt-out. So, if you opt-out, you’ll permanently lose your HRA.

This opt-out right, which is available to both active employees and retired or terminated employees, probably has more meaning for those who are retired or terminated from employment. Why? Because it’s unlikely that active employees, who are already enrolled in the Employer’s group health care plan, will buy insurance on a Marketplace/Exchange.

## Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2023. Contact your State for more information on eligibility –**
